## About Us

### There is no place like home!

We at Akshar Home create homes that nourish you with comfort and tranquility as well as elevate the experience of living.

Our core values include quality, accountability, commitment and trust.

We firmly believe in operating business on the lines of transparency and integrity. We convert your thoughts into reality and shape up your dreams in owning an exclusively elegant home.

Our aim is to raise the quality of your lifestyle with great standards that transform and touch lives by spreading happiness.

We are passionate in creating the perfect blend of beautiful homes with modern amenities. Our unwavering commitment to quality and professionalism is what makes us an emblem of distinction. We are able to understand the housing needs of people and work towards building quality homes. Higher level of customer satisfaction, value for money and long term relationships constitute the mission of Akshar Home. We are highly customer focused.

### Our Management:

**Pushpa Mehta, Partner**

**Pushpa Mehta** holds a Bachelor's degree in Commerce. She started her career as back office associate for a large export organization and rose to the position of Business Development Manager of the firm. With over 5 years of experience interacting with overseas clients and buying agents in developing the business, she gained the rich experience in Sales and Marketing which is pivotal to the Marketing efforts for Akshar Home. She has keen interest in real estate development and is fervent about building residential apartments with exemplary finishing and quality specifications. Her passion in real estate and her astute business style is the key for the development of Akshar Home and it will be instrumental in making
